

## Vacancy

### ASSISTANT NETWORK ENGINEER

LankaClear (Pvt) Ltd., the operator of LankaPay, the National Payment Network, functions under the guidance of the Central Bank of Sri Lanka providing backbone infrastructure to the entire financial industry of the country. LankaClear is owned by the Central Bank of Sri Lanka and all licensed commercial banks operating in the country.

In order to meet market demands and to be a catalyst for future growth, we have continually innovated and improved our processes and technology. Due to organizational changes and cater to new large scale projects to be implemented, we are seeking a dynamic, experienced and high caliber individual to fill the following vacancy and to further strengthen our professional team.

#### Job Responsibilities:

The ideally suited person for this post would be responsible for following key activities carried-out on a 24x7 roaster basis, but not limited to:

- Network monitoring and operations on 24x7 roaster basis;
- Network device configurations, maintenances and troubleshooting;
- IPVPN configurations, maintenances and troubleshooting; and
- Network monitoring and incident management

In addition, you should be a team player, with the commitment to deliver required network support for internal and external users. Moreover, he should have the research ability to keep up-to-date with new technological development and trends in the enterprise architecture.

#### Minimum Qualifications and Requirements:

- Diploma in IT or Network related computer studies
- CISCO Certified Network Associate (CCNA) certification;
- Possess adequate knowledge in TCP/IP including IPSEC;
- Hands-on experience in network devices such as Firewalls, Routers, Switches, etc.
- Excellent documentation and verbal communication skills in English; and
- Hands-on experience in firewall devices.

#### Good to have:

- 2+ years' experience in a similar role;

The above position offers an attractive remuneration package and benefits commensurate with industry standards. The selected candidate can look forward to prospects for career growth in a rapidly growing, stable Company.

Complete Bio Data with names and contact details of 2 non-related referees should be sent within 7 days to the address given below, with the top left corner of the envelope marked '**Assistant Network Engineer**'. Emailed applications should carry the post applied for in the Subject line.
